| **Proposed Calendar Entry:**<br>HINT 502: Interprofessional Psychosocial Oncology: Theory and Practice<br><br>Focuses on the cancer experience informed by theory, evidence and illness narratives. Develops competencies in psychosocial oncology assessment and intervention, interprofessional collaboration, and cultural safety. Different cultural perspectives will be included. | **Present Calendar Entry:**<br>None.<br><br>**Type of Action:**<br>New interdisciplinary health elective<br><br>**Rationale:**<br>This course is the product of a national initiative funded by Health Canada to meet a recognized need for post-graduate education in psychosocial oncology. Adding this course to our interdisciplinary health electives will complement and enhance current offerings. |
