All students must present prerequisites appropriate for their intended program of study.  ▪ [...]  Because of the differences [...]  Additional academic criteria, [...]  International applicants should realize that the financial assistance that is available at the undergraduate level is limited and that opportunities for gainful employment will be severely restricted as a result of immigration regulations.  <b>Type of Action:</b> Remove international financial assistance and work visa information from admissions section of Calendar.  <b>Rationale:</b> The paragraph identified for removal is both inappropriately placed and inaccurate, given recent changes to the employment regulations for visa students.
