

policy, is not acceptable proof of ELAS satisfaction. Some choose to submit a middle school transcript which increases the paper flow to admissions and thus has an impact on the Admission's Office ability to make timely admissions offers. Others choose to ask for an ELAS waiver. Others just assume we will take care of the problem without them having to take any action. The overall result is a clumsiness in the Admissions process which does not contribute to the goal of ensuring that students are proficient in English at time of admission.
