A minimum 3 credits must be English literature. The 6 credits of approved English literature and composition may be satisfied with coursework at the 100, 200, 300, and/or 400 level. Courses in creative writing, technical or business writing, or communication are not acceptable; ▪ Canadian studies: 6 credits that have significant Canadian content. Note: the BC College of Teachers (BCCT) defines its Canadian content requirements as the following: "The focus of a Canadian studies course must be on understanding the Canadian experience. The Canadian content must be central to the conceptual thesis of the course rather than existing only as exemplar supporting concepts of another academic discipline"; ▪ Lab Science: at least 3 (preferably 6) credits in a laboratory science completed no more than 10 years prior to entering the program. Note: lab science courses are normally selected from the life sciences, chemistry, physical geography, earth and ocean science, geology, astronomy, or physics. A 3-credit lab science is typically scheduled for three hours of lecture and two or three hours of labs per week. Courses in human anatomy, human physiology, or computer science are not acceptable lab science courses; 	<p>URL:</p> <p>http://okanagan.students.ubc.ca/calendar/index.cfm?tree=18,284,838,975</p> <p>Present Draft Calendar Entry:</p> <p>Faculty of Education > Bachelor of Education Programs > Elementary Teacher Education Program (ETEP)</p> <p>Admission Requirements</p> <ul style="list-style-type: none"> ▪ Grade point average (GPA): a GPA of at least 65% in the last 60 credits of post-secondary course work passed, failed, and/or repeated; ▪ English requirement: 6 credits of approved English with an average of 65% or greater.
