S. 37(1)

“The academic governance of the university is vested in the senate and it has the following powers:

(b) to establish committees it considers necessary and, by 2/3 vote of its members present, to delegate to one or more committees those of its powers as it may determine;”

(c) to determine all questions relating to the academic and other qualifications required of applicants for admission as students to the university or any faculty, and to determine which faculty the students pursuing a course of study must register.”

Purpose and Goals:

This policy is designed to provide a clear mechanism for the approval and modification of grade adjustments for applicants from all educational jurisdictions not following the BC/Yukon Secondary School Curriculum, for the purposes of undergraduate direct-entry admission to the *University*.

Extra-Provincial Curriculum or Extra-Provincial Curricula shall mean any school system not following the *BC/Yukon Secondary School Curriculum*

Policy:

- 1) In calculating an admission average, grades reported for secondary schools following *Extra-Provincial Curricula* may be adjusted to accurately assess the grades in terms of their ability to predict future performance at the *University*.
- 2) Grade adjustments shall be made by the *responsible committees* as set out in the procedures of this policy.
- 3) For Canadian *Extra-Provincial Curricula*, grade adjustments shall be based primarily on a review of academic performance at the *University* of students previously admitted having followed that *Extra-Provincial Curriculum*.
- 4) For all other *Extra-Provincial Curricula*, grade adjustments shall be based primarily on the best available published data.

- 5) In such cases where insufficient data is available for an *Extra-Provincial Curriculum* to make an assessment under this policy for a systematic grade adjustment, the Undergraduate Admissions Office shall evaluate each student's grades on a case-by-case basis under the procedures for assessment established by the *responsible committees*.
- 6) Recommendations for grade adjustments for admission to the following academic year shall be submitted by the Undergraduate Admissions Office for approval by the *responsible committees* no later than November 30 of each year.
