Policy:

1. Categories of Diploma Programs

   a. Post-baccalaureate Diploma
      
      i. Typical minimum admission requirements are equivalent to UBC Okanagan general undergraduate-level admission requirements including the English Language Admission Standard, and program-specific admission requirements. An undergraduate degree from a recognized post-secondary institution will also normally be required.
      
      ii. Program completion should normally require 30 to 60 upper-division (300-400) level credits.
      
      iii. Academic rigor and assessment level should be equivalent to the upper-division of UBC’s undergraduate degree programs.

   b. Graduate Diploma
      
      i. Typical minimum admission requirements are equivalent to UBC Okanagan graduate-level admission requirements including the English Language Proficiency Requirement, an undergraduate degree from a recognized post-secondary institution, and program-specific admission requirements.
      
      ii. Program completion should normally require 30 to 60 graduate-level credits.
iii. Academic rigor and assessment level should be equivalent to UBC’s graduate degree programs.
iv. As graduate-level diplomas are similar in length to professional masters (course-based) programs, graduate-level diplomas are discouraged unless a compelling rationale is provided by the proposing Faculty or Faculties or College of Graduate Studies.
v. May be combined with masters or doctoral degrees to create dual degree/diploma programs.

c. Post-graduate Diploma

i. Typical minimum admission requirements are equivalent to UBC Okanagan graduate-level admission requirements including the English Language Proficiency Requirement and program-specific admission requirements. A graduate degree from a recognized post-secondary institution will also normally be required.
ii. Program completion should normally require 30 to 60 graduate-level credits.
iii. Academic rigor and assessment level should be equivalent to that of UBC graduate degree programs.

d. The University may approve only Diploma Programs that comply with the requirements of one of the above listed categories. The formal title of any Diploma Program must include the title of the Diploma Program category to which it belongs.

e. Diploma Programs at the lower-division undergraduate-level (100-200 level) shall not be approved.

g. Non-credit Diploma Programs shall not be approved.

2. Establishment Criteria

a. In order to be considered for Senate approval, a proposed Diploma Program must:

i. Consist of subject matter appropriate to university-level teaching;
ii. Align with a Diploma Program category as defined in this policy;
iii. Focus on a clear purpose, such as skills acquisition, disciplinary or interdisciplinary knowledge enhancement, career progression and professional development, or a combination of the aforementioned.
iv. Demonstrate a cohesive theme through an integrated sequence of learning opportunities and include a coherent organization around clearly-defined learning objectives and outcomes, assessed in an academically rigorous manner that is consistent with University standards (i.e. simply bundling the requisite number of credits
using existing Courses of Instruction does not qualify as a diploma); 
v. Clearly indicate credit requirements and any Transfer Credit regulations, and required timeframe for completion; and 
vi. Be operationally viable, as determined by the Dean(s) of the responsible Faculty or Faculties or the College of Graduate Studies and the Office of the Provost and Vice-Principal Academic.

3. Approval Process

a. Diploma Programs require the approval of the proposing Faculty or Faculties or the College of Graduate Studies, the Senate Curriculum Committee (program requirements), Senate Admissions & Awards Committee (admission requirements), Senate, and Board of Governors.

b. New Courses of Instruction that will form part of a Diploma Program must be approved in the manner by which new Courses of Instruction are typically approved.

c. Proposals to create new Courses of Instruction that will form part of a Diploma Program must demonstrate academic rigor equivalent to that which is normally required for a Course of Instruction.

4. Academic Calendar Inclusion

a. Admission and program completion requirements of approved Diploma Programs must appear in the Academic Calendar.

5. Credit Recognition and Transfer Credit to a Diploma Program

a. Previously-Earned UBC Credit and Transfer Credit from external institutions will be accepted as determined by the receiving Diploma Program in accordance with University regulations.

6. Administrative Responsibility

a. Administrative responsibility for post-baccalaureate Diploma Programs offered by the Faculties will be held by the Registrar.

b. Administrative responsibility for graduate and post-graduate Diploma Programs will be held by the College of Graduate Studies unless administration by one or more Faculties is approved by the Senate Academic Policy Committee and Senate.

7. Academic Responsibility
a. Academic responsibility for post-baccalaureate *Diploma Programs* offered by the Faculties will be held solely by the Faculties.

b. Academic responsibility for graduate and post-graduate *Diploma Programs* will be held by the College of Graduate Studies or by one or more Faculties with the support of the College of Graduate Studies.

a. Upon successful completion of a *Diploma Program*, a notation on the *Student’s academic transcript* will be made indicating that the *Diploma Program* has been completed.

b. Indication of the *Diploma Program* category (academic level), as defined in this policy, should be noted on the academic transcript, and parchment. This is accomplished by including the title of one of the *Diploma Program* categories identified in this policy in the title of the *Diploma Program*.

c. Graduates of *Diploma Programs* are granted a diploma by *Senate* and will receive a diploma parchment issued and signed by *University representatives*, typically representatives of the *Faculty or Faculties* offering the program or of the College of Graduate Studies.

d. Graduates of *Diploma Programs* do not attend the convocation ceremony.

10. Double-Counting of Credits

a. Credits earned in *Courses of Instruction* applicable towards a *Diploma Program* may also be applied towards a degree program with the approval of *Senate*, the *Faculty or Faculties* offering the degree program, or in the case of graduate programs, the College of Graduate Studies, and the *Faculty, Faculties or College* offering the *Diploma Program*. Normally, credits must be earned within five years of commencement of the degree program. A request to apply credits completed more than five years prior to the start of a degree program will be reviewed on a case by
case basis by the Faculty or Faculties offering the degree program or in the case of graduate programs, the College of Graduate Studies.

b. Credits that have been applied towards a completed Diploma Program may not be counted towards another Diploma Program.

11. Laddering from a Diploma Program

a. A successfully completed Diploma Program may only be Laddered into a related degree program if permitted by the receiving degree program regulations. If so permitted by the receiving program, some or all credits may Ladder, at the discretion of the receiving program.
