i. Consist of subject matter appropriate to university-level teaching;
ii. Align with an Academic-Credit Certificate Program category as defined in this policy;
iii. Focus on a clear purpose, such as skills acquisition, disciplinary or interdisciplinary knowledge enhancement, career progression and professional development, or a combination of the aforementioned;

iv. Demonstrates a cohesive theme through an integrated sequence of learning opportunities and includes a coherent organization around clearly-defined learning objectives and outcomes, assessed in an academically rigorous manner that is consistent with University standards (i.e. simply bundling the requisite number of credits derived from existing Courses of Instruction does not qualify as a certificate);

v. Clearly indicate credit requirements and any Transfer Credit regulations, and required timeframe to completion; and

vi. Be operationally viable, as determined by the Dean(s) of the responsible Faculty or Faculties or College of Graduate Studies and the Office of the Provost and Vice-Principal Academic.

3. Approval Process

a. Academic-Credit Certificate Programs require the approval of the proposing Faculty or Faculties or College of Graduate Studies, Senate Curriculum Committee (program requirements), Senate Admissions & Awards Committee (admission requirements), Senate, and Board of Governors.

b. New Courses of Instruction that will form part of an Academic-Credit Certificate Program must be approved in the manner by which new Courses of Instruction are typically approved.

c. Proposals to create new Courses of Instruction that will form part of an Academic-Credit Certificate Program must demonstrate academic rigor equivalent to that which is normally required for a Course of Instruction.

4. Academic Calendar Inclusion

a. Admission and program completion requirements of approved Academic-Credit Certificate Programs must appear in the Academic Calendar.

5. Credit Recognition and Transfer Credit to an Academic-Credit Certificate Program

a. Previously-Earned UBC Credit and Transfer Credit from external institutions will be accepted as determined by the receiving Academic-Credit Certificate Program in accordance with University regulations. At least 50% of the credits applied towards an Academic-Credit Certificate Program must be UBC credits.

6. Administrative Responsibility
a. Administrative responsibility for undergraduate and post-baccalaureate Academic-Credit Certificate Programs offered by the Faculties will be held by the Registrar.

b. Administrative responsibility for graduate-level Academic-Credit Certificate Programs will be held by the College of Graduate Studies unless administration by one or more Faculties is approved by the Senate Academic Policy Committee and Senate.

7. Academic Responsibility

a. Academic responsibility for undergraduate and post-baccalaureate Academic-Credit Certificate Programs offered by the Faculties will be held solely by the Faculties.

b. Academic responsibility for graduate and post-graduate Academic-Credit Certificate Programs will be held by the College of Graduate Studies or by one or more Faculties with the support of the College of Graduate Studies.

8. Student Rights and Responsibilities

a. Students registered in Academic-Credit Certificate Programs have all the rights and responsibilities of UBC Students as set out in the University Act, RSBC, c 468, and University policy and regulations.

b. Indication of the Academic-Credit Certificate Program category (academic level), as defined in this policy, should be noted on the academic transcript, and parchment. This is accomplished by including the title of one of the Academic-Credit Certificate Program categories identified in this policy in the title of the Academic-Credit Certificate Program.

c. Graduates of Academic-Credit Certificate Programs are granted a certificate by Senate and will receive a certificate issued and signed by University representatives, typically representatives of the Faculty or
Faculties offering the Academic-Credit Certificate Program or of the College of Graduate Studies.

Normally, credits must be earned within five years of commencement of the diploma or degree program. A request to apply credits completed more than five years prior to the start of a diploma or degree program will be reviewed on a case by case basis by the Faculty or Faculties offering the diploma or degree program, or in the case of graduate programs, the College of Graduate Studies.

b. Credits that have been applied towards a completed Academic-Credit Certificate Program may not be counted towards another Academic-Credit Certificate Program.
